My name is Zien Foh Daung, aged 35, a native of Zaushing, M/shop-keeper of "Wu Zung Cigarette Shop" at No. 199, Scott, Rd. and a S.M.C. Tax payer. At about 8.20p.m. on the 27th day of November 1933, whilst I was playing Mahjong Cards with my 3 friends in my shop, there suddenly came into my shop two Chapei Policemen all in uniform, numbers unknown, accompanied by a foreign dressed Chinese, who, I was sure, was also a Policeman, having been seen signing other Chapei Police's conference books before. They then all left. As far as I know, these two uniformed Policemen were usually on Post duty on the corner of Ziang Tuh Road and Scott Road. Afterwards I came to the Dixwell Road Police Station with the Tax paper reporting all that had been occured. I am quite certain that I could recognize these three men (Policemen) that came to my shop, should I see them. This is my true statement.
